

Fishers Soccer Club Club Camp 2009

Fishers Soccer Club invites players from its 2009-2010 U8-U14 boys and girls travel program to attend our Club Camp! This camp is **strongly recommended** for all players.

This camp will be overseen by the FSC Director of Coaching and be staffed by FSC trainers and guest trainers from across the state.

The Club Camp will focus on age group training to push players to get fitter for the start of the season and work on technical and tactical development before the season starts.

This will be a great opportunity for players and age groups to get to know each other and kick start the fall season.
