The first game for each team will be held on Sunday, October 7, 2007, with the final two Round Robin games being played on Saturday, October 13, 2007. The two teams from each division with the best records will play in the Semifinals, and potentially the Finals, on Sunday, October 14, 2007.

The Round Robin games have been seeded within each division, based on the records of divisional play (first 5 weeks of the season). Even seeded teams will play all the Odd seeded teams during the Round Robin portion of the tournament. The higher seed will be considered the home team.

There will be no overtime or shoot-out games in the Round Robin. Games end after the 2-35 minute halves. Each Team will be awarded 2 point for a win, 1 point for a tie, and 0 points for a loss. In the event of a tie in a SemiFinal or Final game, a five minute overtime period will be played. If the score is still tied, then the game will be decided by Penalty Kicks, with each team taking five kicks, in alternating fashion, each by a different player. If the score is still tied after the first five kicks, then each team will select 1 different player to shoot a penalty kick. Kicks are awarded to each team, 1 by 1 until all players who were on the field at the end of the Overtime period have kicked, or until the tie is broken after both teams have kicked.
